

Md. Moniruzzaman

Frontend Developer

Education

(2024 - Ongoing)

DAFFODIL INTERNATIONAL UNIVERSITY

Bachelor of Science

About Me

Motivated and enthusiastic Software Engineering student with hands-on experience in frontend and development. Skilled in HTML, CSS, JavaScript, React.js, Node.js, Express.js. Experienced in building responsive user interfaces, interactive web applications, and academic software projects. Passionate about learning modern technologies, solving problems, and developing user-friendly and scalable software solutions. Currently seeking opportunities to grow as a Software Engineer, Frontend Developer, or Junior Full-Stack Developer.
